Subject: ONTPM Congressional Visualization

Message Body:

During today's meeting, the Commission gave direction to Q2 to remove Claremont and attach to the Los Angeles Covina district. The Commission gave no direction as to how to recover the approximately 35,000 people that live in Claremont to the ONTPM district. I would suggest that Chino be added to the ONTPM congressional district, even if this means that Upland is removed or that Rancho Cucamonga is split. Thank you.
