Subject: Please consider alternative to Rancho Cucamonga redistricting proposal

Message Body:

As a citizen of Rancho Cucamonga I am very concerned about your proposal in your first draft for realignment of Assembly Districts to bifurcate my city.

Your proposal causes representation of a portion of Rancho Cucamonga (located in San Bernardino County) to be lumped in with the representation of cities in Los Angeles County!

Surely you cannot believe the interests of citizens in Rancho Cucamonga, who are in San Bernardino County, would be fairly represented by a politician elected by majorities in other foothill communities extending many tens of miles west into Los Angeles County!

Please consider redrawing the current draft proposal for redistricting to EXCLUDE Rancho Cucamonga from representation in common with portions of Los Angeles County.

Thank you,
Scott Powers
