Subject: Our beautiful city of Orange

Message Body:

Dear Commission Members,

I would like to thank you for your service to our state and the long hours that you have put into this process of a fair reapportionment. As a resident of the City of Orange, I would ask that you please DO NOT split up our city. The City of Orange is unique in Orange County as a city which has grown up around an historic downtown and maintains it's small town feel. There is no way to split our city in an equitable manner.

At the same time, it is important that our city be politically attached to areas that we have much in common with. We certainly have a community of interest with communities like North Tustin, the Tustine foothills, Anaheim Hills and the city of Yorba Linda. It is important to us that our city is not attached to central or west Anaheim and definately not Santa Ana. If that were to happen our city would become someone's political afterthought.

Thank you for your time and consideration in this matter.

Sincerely,
Jason & Bobbie Barry
residents of Orange

Message Body:

Dear Commission Members,

I would like to thank you for your service to our state and the long hours you have put into this process of a fair reapportionment.

As a long-time resident of the City of Orange I would like to ask that you please do not change the district lines of our city. The City of Orange is unique in Orange County as a city which has grown up around an historic downtown and maintains its "small town" feel. There is no way to split our city in an equitable manner.

At the same time, it is important that our city be politically attached to areas that we have much in common with. We certainly have common interests with communities like North Tustin, the Tustin foothills, Anaheim Hills and the city of Yorba Linda. It is important to us that our city is not attached to central or west Anaheim or to Santa Ana. If that were to happen, our city would become a political afterthought.

Thanks for your consideration in this matter.

Sincerely,
Mark McGary

July 19, 2011

To: Citizen Redistricting Commission Members,

From: Suzanne Lewis

As a resident of the City of Orange I would ask that you please do not split up our city as has been done in the past. The City of Orange is unique to Orange County as a city which has grown up around a historic downtown and maintains a "small town" feel. There is no way to split our city in an equitable manner. Today, I live less than 7 miles from my parents in the SAME city and we have DIFFERENT Assembly members. This just doesn't seem right.

At the same time, it is important that our city be politically attached to areas that we have much in common with. We have a community of interest with communities like North Tustin, the Tustin foothills, Anaheim Hills and the city of Yorba Linda. It is important to me that our city NOT be attached to central or west Anaheim or to Santa Ana. These are cities which we share very little common ground. If this were to happen, our city would become someone's political afterthought.

Thanks for your consideration in this matter. PLEASE take the entire community's needs into consideration when drawing the lines, not just the needs of a few.

Dear Commission Members,

First I'd like to thank you for your service to our state for your hard work towards reapportionment.

As a resident of the City of Orange I would ask that you please do not split up our city. The City of Orange has a beautiful historic downtown and has that "All American" feel to it. We are proud of Chapman University and the many families who have raised their children here generation, after generation. There is just no way to split our city in an equitable manner.

At the same time, it is important that our city be politically attached to areas that we have much in common with. We certainly have a community of interest with communities like North Tustin, the Tustin foothills, Anaheim Hills and the city of Yorba Linda. It is important to us that our city is not be attached to central or west Anaheim or to Santa Ana. If that were to happen our city would become someone's political afterthought.

Dear Commission Members,

I would like to thank you for your service to our state and the long hours you have put into this process of a fair reapportionment.

As a resident of the City of Orange I would ask that you please do not split up our city. The City of Orange is unique in Orange County as a city which has grown up around an historic downtown and maintains it "small town: feel. There is no way to split our city in an equitable manner.

At the same time, it is important that our city be politically attached to areas that we have much in common with. We certainly have a community of interest with communities like North Tustin, the Tustin foothills, Anaheim Hills and the city of Yorba Linda. It is important to us that our city is not be attached to central or west Anaheim or to Santa Ana. If that were to happen our city would become someone's political afterthought.

Thanks for your consideration in this matter.

Sincerely,
Lisa Molitor

Subject: City of Orange and City of Villa Park

Message Body:

Dear Commission Members,

Thank you for your service to our state and the many hours you have put into this process of a fair reapportionment.

As a resident of the City of Villa Park, I would ask that you please do not split up the cities of Orange and Villa Park. Our communities are closely related and share unique small town values and atmospheres. There is simply no way to split our cities in any manner that would not be detrimental to our communities.

It is also important that our cities be politically attached to the other areas that we have much in common with in our similar community values, plans and businesses. These communities include North Tustin, the Tustin foothills, Anaheim Hills and the city of Yorba Linda. On the other hand, our cities should not be attached to central or west Anaheim or to Santa Ana as the needs and interests of these cities are not aligned with those of our communities. If attached, our cities will undoubtedly get over looked and become afterthoughts of someone else's political interests.

Thank you for your consideration of my concerns in this matter.

Sincerely,
Mark Harris

Dear Commission Members,

Firstly, I would like to thank you for all you do and the effort you have put into this process of a fair reapportionment.

As a resident of the City of Orange I would ask that you please do not split up our city. The City of Orange is one of those unique California cities in that it an historic downtown and maintains a "small town" feel. There is no way to split our city in an equitable manner.

At the same time, it is important that our city be politically attached to areas with common interest. We have much in common with communities like North Tustin, the Tustin foothills, Anaheim Hills and the city of Yorba Linda. It is important to us that our city is not be attached to central or west Anaheim or to Santa Ana. If that were to happen our city would become someone's political afterthought.

Thanks for your consideration in this matter.

Sincerely,

Commission Members,

Thank you for your service to our state and the effort your are putting into this process of a fair reapportionment.

I am a resident of the City of Orange and I am asking that you please do not split up our city. There is no way to split our city in an equitable manner. It is a city with a small town feel and a historic downtown area.

I feel it is important that my city be politically attached to areas that share commonality. We certainly have this with communities like North Tustin, the Tustin foothills, Anaheim Hills and the city of Yorba Linda. I do not think it beneficial to my city for it to be attached to central or west Anaheim or to Santa Ana. The result of such an action would be for my city would become fodder for someone else's political agenda.

Thanks for your consideration in this matter.

Sincerely,

Steve Sneddon

Message Body:

Dear Commission Members,

Thank you for your service to our state and the long hours you have put into this process of a fair reapportionment.

I am a resident of Villa Park, and a frequent patron of businesses and services in the City of Orange. I would ask that you please keep both together with neighboring communities with which they share common attributes. It is important that our cities be politically attached to areas that we have much in common with. We certainly have a community of interest with communities like North Tustin, the Tustin foothills, Anaheim Hills and the city of Yorba Linda. It is important to us that our cities not be attached to central or west Anaheim or to Santa Ana. That result would destroy the uniqueness of Villa Park and Orange, and make neither geographical nor political sense.

Thank you for your consideration in this matter.

Sincerely,
Annabelle Harris
