Subject: redistricting

Message Body:

Please do not consider for even one single moment the comments from any elected official who claims to speak for anyone besides him/herself. All of us have one individual vote. I am ecstatic at the prospect of finally having a true representative for me. Jerry mandering will finally become a thing of the past. No longer will a district be cobbled together that makes sense only to those of one party or another. Please level the playing field. Your body alone has this power. And if it upsets the current powers that be then you are surely doing something right.

Sincerely,

Cameron J. Ruh

Re: Boundaries of Encino Community and West San Fernando Valley
Congressional District

Dear Members of the Commission:

On or about June 23, 2011, the Encino Neighborhood Council submitted a letter to you and reemphasized on the subject of its boundaries. As mentioned, the Encino Community Boundaries are as follows:

North:	South of Victory Boulevard
South:	North of Mulholland Drive
East:	West of I-405
West:	East of Lindley Avenue

It is extremely important for our community and neighborhood to remain unified and free of political pressures from Bel Air, Beverly Hills and Brentwood. The latest congressional map shows that these communities were added to our congressional district and that the southern boundary of Mulholland Drive has been abrogated. This takes us 10 years back where the communities in the Valley had no control over their destiny, communities and neighborhoods. If the Commission requires more population for the West District, we propose that Calabasas and Agoura Hills to be added to our congressional district.

Again, the Encino Community wishes to remain in the West San Fernando Valley Congressional District but the boundaries of this district should not extend toward south and it must not include southern communities. Encino as a community in the Valley must remain in control of its destiny and future. Please do not take our control away and hand it over to the communities such as Bel Air, Beverly Hills and Brentwood. Let Encino along with other San Fernando Valley communities show a stronger and unified presence in West San Fernando Valley Congressional District.

Considering the closure date for public comments, the Encino Neighborhood has not had the chance to agendize this issue and discuss it at a meeting. Accordingly, this letter is submitted by the board members who are deeply concerned and have mutually agreed with the foregoing statements.

Thanks for your cooperation!

I am writing to you to express my concern regarding excluding Hawthorne from the South Bay/Beach Cities district. I reside in Hawthorne, bordering Manhattan Beach, and conduct the majority of our business and spending in Redondo and Manhattan Beach. Our children's Schools are also in the Beach Cities. the Wiseburn community within Hawthorne contributes to the richness of the South Bay, and the proposed redistricting will do much harm to the this vital and the neighboring portions of the South Bay.

Please consider including the city of Hawthorne in the 38th Congressional District.

Sincerely,

Hoda Shawky

Subject: PLEASE CHANGE THE LATEST CONGRESSIONAL MAP BOUNDARY WHICH DIVIDES THE COMMUNITY OF VALLEY VILLAGE CALIFORNIA.

Date: Fri, Jul 15, 2011 9:56 pm

Hello,

I live in Valley Village, located in Los Angeles, California. I am very concerned that the new map proposed earlier this week will divide Valley Village into two parts. Please redraw the line so that it follows the 170 Freeway and keeps the 25,000 stakeholders in Valley Village in one congressional district.

Thank You,
Judy Baldwin

Commissioners,

I watched in shock today as a commissioner asserted that we, in Mid City do not go south. Well, in our community (lower Hancock Park), we certainly do go south.... and definitely with much more frequency than we travel west to Westwood or Malibu. In fact travel to Malibu is a venture for special occasions.

Our community with its diverseness has experienced extensive growth with the construction of new multi unit bldgs. for rent and sale.

We shop in the Fox Hills, Hughes Center, LaDera Heights and Crenshaw area.

We visit the Exposition Park area including the museums (state and county), and attend many events at the Coliseum.

We worship in So LA, Culver City, Koreatown west, and West Adams areas.

We frequently dine along the LaBrea, Crenshaw, Western, Adams, Washington, and Venice corridors as well as the quaint areas of Leimert Park and Little Ethopia.

Our cinema trips include Culver City and the new Baldwin Hills - Crenshaw theatres plus Fox Hills.

Needless to say, the "never go south" may apply to some, but not to the over 100 homes in our neighborhood block club. My neighbors asked that I send this message so consider it a message from all of us.

Please do not link us to the far west so that our paths of functioning and our communities of interest may be preserved.

Sincerely,

Jacquelyn Dupont-Walker

JUL 15 2011

Dear Commissioners:

Per _____

I am writing to request that the following communities be included in the Los Angeles Foothill District:

**Kagel Canyon - Lake View Terrace - Shadow Hills - La Tuna Canyon - Sunland-Tujunga
- La Crescenta - Montrose - La Canada-Flintridge - Glendale - Burbank**

Our communities share the same demographics and interests which include, but are not limited to:

**Historic Preservation - Environment - Protection of Open Space -
The Rim of the Valley - Angeles National Forest - San Gabriel Mountains - Verdugo
Hills - Wildlife - Watershed - Hiking and Equestrian Trails - Income - Education -
Housing - Transportation - Two Nearby Colleges -
The 210 Freeway for Our Economic and Transportation Corridor -
Medical - Shopping - Jobs - Entertainment**

The current boundary proposal has my community joined with an area my community has little in common with. It is important that the redistricting map be redrawn so that my community is joined with other Los Angeles Foothill District communities that share our demographics and interests:

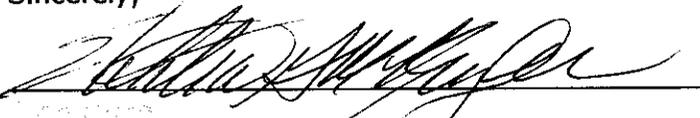

**Kagel Canyon - Rural, Equestrian, Mountains; Lake View Terrace - Rural, Equestrian, Mountains and Hansen Dam Recreation Center;
Shadow Hills - Rural, Equestrian, Mountains;
La Tuna Canyon - Verdugo Hills, Rural, Equestrian;
Sunland-Tujunga, La Crescenta, Montrose, La Canada-Flintridge - Rural, Equestrian, Suburban, Located Between Two Mountain Ranges (Verdugo Mountains and San Gabriel Mountains); Glendale and Burbank - Rural, Suburban and Share the Verdugo Mountains, Shopping and Business**

These communities have commonalities and interrelationships that are uniquely interwoven and linked in ways that make them indivisible and requires they be joined together in the same California State Voting District: the Los Angeles Foothill District.

I respectfully request that you consider these long-established community relationships when redrawing the current districts.

Thank you for your consideration.

PLEASE SEPARATE THE FLATLANDS OF THE SAN FERNANDO VALLEY FROM THE FOOTHILL COMMUNITIES AT THE BASE OF THE SAN GABRIEL & VERDUGO MTS. THESE AREAS HAVE VERY TOTALLY CONFLICTING INTERESTS. IT WOULD BE IMPOSSIBLE FOR ANY ELECTED OFFICIAL TO PROPERLY REPRESENT HIS CONSTITUENCY SINCE COMBINING THE FLATLANDS & FOOTHILLS WOULD CREATE A CONSTITUENCY WITH COMPETING INTERESTS.

Each Elementary School is its own COI at the most fundamental level: the neighborhood!

City boundaries should be respected.
Unified School districts should be respected.

Zip Codes are the domain of the United States Postal Service, a GSE. They are a Federal sanction of sub-units of geography. Therefore well under your jurisdiction to determine for your consideration.

In testimony COI's are give the same weight as county lines.
