sorry, you'll have to do without my input. Just not computer savvy enough to navigate your site to see the proposed lines as compared to existing lines for an Oxnard, CA address.

This is useless. I cannot bring up any maps that have lines drawn on them. You must not really want public input.

Friday you reviewed visualizations that affected our community. Before you finish this draft map, please consider this:

East Ventura County was linked to Malibu, Pacific Palisades and along the 101 corridor in the Valley. This goes against the public testimony you have received and the direction you have given. It is important to connect East Ventura County with Santa Clarita.

Instead of East Ventura County with Malibu or Ventura Blvd. in the Valley, you should draw the Santa Clarita area with East Ventura County.

Keeping Thousand Oaks, Moorpark and Simi Valley connected to Santa Clarita in a Senate seat will keep inland valleys together and better represented. Historically, for over 30 years, these areas have been connected in a Senate seat. Please draw a district that will best represent us and link East Ventura County to Santa Clarita.

Thank you.

Good Morning,

As I was reading the Simi Valley Acorn last week. I contacted Mayor Huber's office and was given this email. I was dismayed to learn about the breaking up some parts of Simi Valley with the new redistricting plans. My husband and I moved from parts of Los Angeles 27 years ago because we no longer wanted to be associated with a city that only cared for the bottom dollar and would build on any space that was empty. We do not want to be associated with voters who have no regard for open space, fresh air and a clean city. These attributes are associated with Simi Valley/Ventura County but never associated with Santa Clarita/LA County. We love those and many more attributes of Simi Valley. We need to stay as Ventura County voters. We are a close knit community. Common sense would tell you that a city like Simi Valley needs to be kept together. Please KEEP Simi Valley as one WHOLE district.

Thank you!

Concerned SIMI VALLEY residents,

Annette and Kevin Morgan
