While the below message is generic, I strongly urge you to not screw up Simi Valley and surrounding Ventura County cities districting.

I am a resident of East Ventura County and thank you for keeping us together and whole in the Senate Seat. As you consider final maps I have one important change: Include us with more of Santa Clarita and less of the 101 corridor in the San Fernando Valley in our Senate Seat.

There has been much testimony that we do not have a community of interest with the high-rises of Encino and Ventura Blvd. Please link us to more of Santa Clarita as you finish drawing the Senate maps. We are not like the 101 corridor of the San Fernando Valley and ARE like the suburban area of Santa Clarita. Thank you.

For the misinformed and duped believers in separation of church and state, please read below:

John Jay 1745-1829 – The first and original Chief Justice of the Supreme Court

and one of the three men most responsible for the Constitution.

“Providence has given to our people the choice of their rulers, and it is the duty – as well as the

privilege and interest – of our Christian nation to select and prefer Christians for their rulers.”

Patrick Henry 1736-1799– Remember him!

"Give me liberty or give me death." A true culture warrior.He also said:

"It cannot be emphasized too strongly or too often that this great nation was founded, not by religionist, but by Christians; not on religions, but on the gospel of Jesus Christ. For this very reason people of other faiths have been afforded asylum, prosperity, and freedom to worship here.”

No more silence of the lambs!
