I am so very concerned about putting RIDgecrest and the Eastern Sierra in a district having a majority of City people. They do not understand our lifestyle and our needs. We are a military town here in Ridgecrest. We must keep the military happy or else we will dry up and blow away. So please rethink Option #5 as opposed to Option #6.

I have been a resident of this area, off and on, since 1947 and there is no need to make any extreme changes. The first map is fine. There is no need for anymore changes as outlined in map 5. Bakersfield has never been kind to Ridgecrest and while I suspected this in previous years, as a former resident of Bakersfield, I knew it was a fact. As a seat of Bakersfield, Ridgecrest will be cut every chance they get. Please, keep the first map for this area, or it may be the end of Ridgecrest as we know it today.
