California Citizens Redistricting Commission:

A recent CCRC press release [<http://archive.constantcontact.com/fs021/1104387634937/archive/1106487913005.html>] stated

"The Commission will be posting visualizations of proposed districts, and make equivalency files available for organizations and news outlets to provide greater detail to the public on the visualization proposals."

Our organization, Kern River Valley Revitalization, would like to be on the distribution list.

We are a nonprofit public benefit corporation (FEIN 77-0437023) operating in Kern County representing an area with no incorporated cities or towns.

We put out a weekly e-mail newsletter (KRVR UPDATE E-MAIL) which has tried to explain the redistricting process (see REDISTRICTING in <http://goo.gl/UL6od>).

Please send us information by e-mail if possible. Or to my mailing address below.
