Subject: Proposed East Kern/Antelope Valley Assembly District

Message Body:

The map I have seen shows a really great district, except for one thing.

The small community of Boron on the Kern- San Bernardino County line, is just outside the district.

Boron is in Kern County and is part of the East Kern/Av community. Please keep it in this new district!

Subject: Kern Congressional Lines

Message Body:

My family is opposed to changing our current congressional lines from what they are now. We would not have fair representation if moved into a district with large city's that do not share our concerns or economic needs.
