Dear Commission Members,

Thank you for the fine job you're doing. I want to especially thank you for the way you re-drew my Assembly district you titled "KINGS". You've kept our county whole and you kept our farmworker communities together along Highway 99 and I-5, including Weedpatch, Arvin and Lamont. Please make this your final map.

Dear CRC Members,

I've lived in Kings County for over 50 years and I'm writing to thank you for the fair way that you've drawn my Assembly District called "KINGS". You had a lot of challenges with my county being part of the "Voting Rights Act" and I know the district includes a "curl" and jagged edges. Yet, and most importantly, it upholds the spirit of the law, it joins like communities in neighboring areas and it gives us the best chance of having an elected representative who will be able to address our concerns. Please do not change it in any way.
