Hello Commissioners,

My name is Cindy Harris and I live in Lodi. I spoke at today's meeting (speaker #22) and in Stockton (speaker #20). I just wanted to reiterate what I said today.

Thank you! I am pleased to see the current visualization for Lodi, connecting us to So. Sacramento, Elk Grove and Galt. You've kept us close to home and although we aren't connected with our #1 choice, Stockton, we are relieved to see that you have kept us with "like" growing communities along the Hwy 99 transportation corridor. With these connections, we are keeping the diversity in the Assembly district where our needs can be paid attention to and met. We appreciate not being buried with the bay or north bay area. Being connected to the foothills or Rancho Cordova was not going to be acceptable either so I'm glad we didn't have to deal with that.

So again, I say "thank you" for taking action to change your first visualization for us. I feel like you've listened and it is truly appreciated. We're hoping this is the final SACEG map!

Sincerely,  
Cindy Harris  
Lodi, CA
