Message Body:

We were shocked and dismayed to find that the City of Santa Clara has now been split into three different congressional districts. Please reconsider this position.

Subject: senate and assembly districts

Message Body:

One senate district should be composed of two assembly districts rather than part of an assembly district in one senate district and the remainder of the assembly district in a different senate district. I thought that was in the legislation but even if not in the legislation the redistricting Commission must recognize the problems if neighbors are in different senate districts.
