Subject: redistricting of Meadowlands community in SanJose

Message Body:

I do not understand why the currently proposed maps include the area of SanJose south of The Villages Parkway and east of San Felipe in the MLPTS district, rather than the SANJO district. The neighborhoods affected have more interests in common with the immediate vicinity than with the area in the northern end of MLPTS. Concerns such as the vibrancy of downtown SanJose, traffic along the 101 corridor south of 280/680, light rail along the Capitol Expressway are significant concerns of the neighborhoods at the southwestern edge of MLPTS. These are not relevant to the cities of Milpitas, Fremont or Newark, and a representative from the northern end of the proposed district would provide inadequate representation for our neighborhoods. I respectfully request that you move the southeastern boundary of SANJO to include the area south of The Villages Parkway and directly east of San Felipe by following the ridgeline down to Metcalf Road.

Thanks for your time

Subject: Evergreen Redistricting

Message Body:

The current redistricting as proposed would divide Evergreen into 2 parts and the south part of Evergreen which includes the Villages, the Meadowlands and California Oaks would be included in the MLPTS district which includes Milpitas and Newark. The balance of Evergreen would be in the SANJO district.

I am President of the Evergreen Business & Professional Association and a member of the steering committee for the District 8 Community Round Table. We have several members of both organizations that live in the Villages, the Meadowlands and California Oaks, and we, and they, consider them to be an active part of the Evergreen community.

I have lived in Evergreen since 1977, and I have always loved the sense of community and cohesiveness that Evergreen residents have. Therefore, I believe the area south of The Villages Parkway to Metcalf Road and east of San Felipe to the foothills should be part of the proposed SANJO assembly district.

Please do not split our community into two parts. Evergreen needs to remain an intact, unified community.

Thanks for your consideration.

Marilyn

To: [REDACTED]

Hello Commissioners: I have attended several of your hearing held in the Bay Area. I want to thank you for your hard work and for your efforts in trying to draw the lines objectively and standing strong against the people who may have unproductive political motives. With that goal in mind, I want to strong encourage to support your maps that was presented on 7/18/11 and particularly as it relates to the SANJO area.

Please do not reduce any more the Latino population in this region. In the hearings held in San Jose and other near locations, you have heard very clearly and you have been presented with a very fair and compromised boundary for his region. I truly appreciate your support with this request. Sincerely, Elías Chamorro.

**Sent via Email to: [REDACTED] on 7/22/11*

Dear Citizens Redistricting Commissioners:

Though we understand the maps are works in progress and many factors are still being considered, after an administrative-level review of the July 15, 2011 draft map, the updated redistricting lines are a potential concern for the City of Mountain View. Mountain View staff seeks clarification, recognizing that the maps are complex visualizations.

According to what we are able to determine from the maps on the website, it appears the new lines will divide representation for Moffett Federal Airfield and the NASA Ames Research Center into two separate Districts. Moffett Federal Airfield and the NASA Ames Research Center are on contiguous land in Mountain View's Sphere of Influence. It appears that one of the proposed Districts would capture a small part of the San Francisco Peninsula land at Moffett, and then go far out over San Francisco Bay to the East Bay/Milpitas/Fremont area. It appears this could create a District that does not maintain a contiguous connection to the Peninsula. (Please see map image for "Norcal-Cong.—Mountain View, CA) below as captured from your website).

We understand that the Commission will consider refinements to map visualizations today and Saturday (July 22 and 23, 2011) at your meetings, and those changes might be made before the final maps are released July 29, 2011.

We would appreciate your clarification for the proposed District/Congressional Representation of Moffett Federal Airfield and the NASA Ames Research Center by a reply to this message, or by calling me at [REDACTED] or [REDACTED]. Once the final maps are released, the City will make further comments during the public review period (until August 15, 2011).

Sincerely,

Kimberly S. Thomas

Re: **San Jose Lesbian, Gay, Bisexual & Transgender (LGBT)
Community Written Public Comment on the Proposed July 18,
2011 Senate & Assembly District Maps for Northern
California.**

Dear Commissioners:

The Citizens Redistricting Commission has recognized the Lesbian, Gay, Bisexual and Transgender (LGBT) community as a "Community of Interest", but it is still splitting that community up in San Jose, California.

The working maps released July 18, 2011 for the FREQOAK/SJOSE State Senate Districts and the new working maps released July 16 and July 18, 2011 for the SANJO/SILIV Assembly Districts are moving in the direction of *discrimination* against the LGBT community, and the Commission needs to be aware of this.

We sincerely hope this division of the LGBT community in San Jose is corrected, and the disenfranchisement of a protected class of citizens is stopped.

EQUAL PROTECTION

This is an issue of equal protection under the law for the San Jose LGBT community. We are a small population that faces discrimination, bullying, intolerance and hate, where astonishingly the courts have held that in the realm of legislation and public initiatives that the LGBT minority must convince the straight majority to preserve its civil rights.

Unless the San Jose LGBT Community of Interest is kept together in one State Assembly District and one State Senate District, it will be disempowered. No other Community of Interest in San Jose with its gigantic Hispanic/Latino, white and Asian Pacific Islander populations are placed in such a severe underdog position. The fight for LGBT civil rights is the single most important and historically significant fight of this time, and how the Citizens Redistricting Commission will be remembered is up to you.

Letter to Citizens Redistricting Commission
Re: San Jose LGBT Community Written Public Comment
July 20, 2011
Page 2 of 4

On behalf of the LGBT community in San Jose, BAYMEC respectfully requests a shift in the proposed SJOSE State Senate District lines and the SANJO Assembly District lines to protect the San Jose LGBT Community of Interest. (Note: The blue areas in all diagrams below are LGBT areas previously identified by Equality California with Redistricting Partners, utilizing methodology reviewed by the Williams Institute and university researchers from USC and CSU.)

Protection of San Jose LGBT Community in State Senate District Maps

The proposed State Senate Districts split the San Jose LGBT community in to two in an abuse of discretion. BAYMEC proposes that the entire San Jose LGBT community be kept in the SJOSE State Senate District by shifting the proposed border near Highway 101 and CA 87 northwest to the intersection of Highway 101 and Lafayette Street. (See Diagram 1 below.)

Diagram 1

Protection of San Jose LGBT Community in State Assembly District Maps

BAYMEC's position remains the same as in its letter dated July 17, 2011. To correct the disenfranchised Newhall-Sherwood and Rosegarden communities, BAYMEC requests that the northwestern boundary of the SANJO Assembly District shift southwest to include the major corner of W. San Carlos Street and N. Bascom Avenue. (See Diagram 2A below.)

Diagram 2A

In the alternative, BAYMEC proposes a simpler line change for the proposed SANJO Assembly District. The southwestern boundary for the proposed SANJO Assembly District could follow W. San Carlos Street / Stevens Creek Blvd to the Valley Fair Shopping Center. (See Diagram 2B on the next page.)

Letter to Citizens Redistricting Commission
Re: San Jose LGBT Community Written Public Comment
July 20, 2011

SUMMARY

We hope the Commission will understand the gravity of our situation, and how the San Jose LGBT Community is in danger. Without keeping the LGBT high concentrations areas in one political district, its voice will be diluted or deemed politically insignificant. Please enact our proposals above. Re: Opposition to Additional Changes to the July 10, 2011 Assembly District Map

Dear Commissioners:

The City of Santa Clara is strongly opposed to the major revisions to the July 10, 2011 Assembly District Map originally supported by the City.

In the few days since that time, with limited ability to comment, assembly district lines have been severely altered twice. This rushed action by the Commission has resulted in the City of Santa Clara - from which the County is named - essentially being pulled out of Santa Clara County and removed from what is considered the Silicon Valley Assembly District and included in the Alameda County District.

Santa Clara is part of a strong Community of Interest (COI) made up of cities in Silicon Valley, in particular Santa Clara, Sunnyvale, Cupertino, Mountain View and Campbell. This information is noted on your summary of public testimony taken at public hearings held after the release of the first draft maps, and it is confirmed in several written comments submitted to the Commission as well. This fact was recently reiterated by us in a previous letter to the Commission dated July 14, 2011. Even with the facts noted above, it is as if these efforts have gone completely unnoticed or disregarded.

For these reasons, the decisions for the recent changes appear to be ill-conceived from a representational standpoint.

While we certainly understand the challenge of accommodating the many and varied COIs throughout the state, we firmly believe that these changes are egregious, unnecessary and detrimental to our city. It separates a large portion of our residential community and pulls the industrial area out of Silicon Valley.

As we have previously stated: The California Constitution mandates that the geographic integrity of any city, county, neighborhood, or community of interest shall be respected to the extent possible, and that to the extent practicable, and where this does not conflict with the criteria above, districts shall be drawn to encourage geographical compactness.

Neither the Silicon Valley COI nor the City of Santa Clara's geographic boundaries have been preserved in the most recent map visualizations, and we strongly encourage the Commission to rectify this in the next visualizations.

Mayor and Council Offices

Santa Clara, CA 95050

Citizens Redistricting Commission

July 22, 2011

Page 2

The City of Santa Clara strongly opposes the redrawing of the district lines in a manner that splits the City into two or more districts and/or moves it out of Santa Clara County.

Instead, the City of Santa Clara strongly recommends a return to the original map drawn by the Commission on July 10, 2011, which retains the Community of interest status and geographic boundaries.

Thank you for the opportunity to provide input into the redistricting process.

Sincerely,

Subject: Comments to the State Senate Visualizations

From: [REDACTED]

Date: Fri, 22 Jul 2011 17:23:15 -0400

To: [REDACTED]

CAPAFR Santa Clara is very concerned about the proposed State Senate visualizations for Santa Clara County. Again, Cupertino, Santa Clara, Sunnyvale are not in one Senate district as requested.

In addition, we request the following:

- 1) Place the Seven Trees neighborhood of San Jose together with Little Saigon. In the current visualization, this vibrant Vietnamese American community is divided from its business and social areas of Little Saigon. In addition, this low income community has ties with the SJOSE (downtown San Jose area). However, it has nothing in common with Gilroy, San Martin or Santa Cruz County.
- 2) Keep the Berryessa neighborhood whole by transferring the following Census tracts from the SJOSE district to the FREAOK district:
 - a) 5037.08
 - b) 5037.09
 - c) 5038.04
- 3) Place the Rose Garden neighborhood together with the downtown San Jose area. The Rose Garden has had a long time association with downtown San Jose. This neighborhood has nothing in common with Berryessa and Milpitas. This population balance and transfer can be done by transferring the following census tracts from the FREOAK state senate district to the SJOSE state senate district:
 - a) 5004 (Rose Garden neighborhood)
 - b) 5005 (Rose Garden neighborhood)
- 4) Finally, Census tract 5001 is a part of downtown San Jose. It has demographics and similar interests to the SJOSE senate district and should be placed within the SJOSE district.

Subject: SJOSE Senate & Santa Clara

Message Body:

Hello,

I am writing in regards to the SJOSE and FRE/OAK Senate Districts. I would like to ask that the City of Santa Clara be included with Santa Clara County and Silicon Valley instead of Fremont and Oakland in the East Bay. Santa Clara is the heart of Silicon Valley and has much more in common with communities like San Jose, Cupertino, Los Altos and Mountain View than with the East Bay.

You would be much better served including East San Jose areas like Alum Rock and East Foothills in an East Bay district, they align with Fremont much more than Santa Clara.

It is clear that you are splitting communities of interest by putting Santa Clara in an East Bay district, hurting the Silicon Valley and South Bay communities.

Thank you.
