=SCOTT HAGGERTY
SUPERVISOR, FIRST DISTRICT

Ju=e 11, 2011

I fully support the proposal to have a district tha= includes Hayward, Union City, Fremont, Newark, and Milpitas. I am pleased=that Fremont is rooted in an Alameda County-anchored district, respecting =ur history and institutions. The Commission and Q2 heard our call fo= one Congressional district -- we are deeply moved by your giving a v=ice to this community.

This map validates our belief in the c=tizen commission and the democratic process. By approving this map, =he commission is keeping the voice of the Tri-Cities community together.&n=sp; The Commission should be commended for putting citizen testimony first=and foremost, and demonstrating that the perspective of "communi=ies of interest" matter.

I look forward to supporting th=s map, and supporting more generally the Commission for their extraordinar= work in being

responsive to public testimony.

I hope that this will be the final map for the Tri C=ty Area in an Alameda County district.

Sincerely=

Scott Hagge=ty
District One<=span>

Subject: Proposed Maps

Message Body:

The proposed districts look much fairer than the gerrymandered set produced the the legislature in 2001. Keep up the good work and don't be bullied by the special interests.
