Dear Commissioners:

**I am concerned with the maps that you are proposing for the Tri City Congressional and Assembly districts. You have ignored the testimony from countless individuals from the Tri-City community. You have ignored the wishes of a community and have disfranchised the people that live in these communities.**

**Through the Tri-City Maps that were submitted, you were provided options that would address many of the changes you needed to make. On one hand you listen to concerns of some communities and address their concerns while totally ignoring ours. Why? Fremont is the 4<sup>th</sup> largest city in the Bay area.**

**Tri-cities needs to be represented as one. We need to keep Fremont, Newark, Union City whole. The Tri City Map that we provided you protects the communities of interest of Fremont/Newark/Union city. Community activists have attended every public hearing at Oakland, San Jose, Sacramento and San Jose. They have had a large presence every time.**

**I ask for you to reconsider the maps in which Fremont and the Tri-Cities are split. This cannot stand.**

Sincerely,

Bridget Mayberry
