Subject: Leave Richmond alone

Message Body:

This is the second time I have contacted your website. I have lived in Richmond for 20 years and am seeing the wonderful changes that have occurred since Mayor Gayle McLaughlin took office along with some of the new city council members and the new city manager Bill Lindsay. Please do not divide Richmond. We have fought hard for unity and cooperation among all our citizens. The thought of division is irresponsible and would be devastating for Richmond.

Don't destroy what we have fought so hard to build -UNITY.
