Citizens Redistricting Commission  
901 P Street, Suite 154-A  
Sacramento, CA 95814-6424

Dear Commission Members,

We, as a group of 796 manufactured-home owners in American Canyon, are NOT in favor of redistricting.

We need to remain with Napa County and within the same Assembly, Senate, and Congressional districts. We have worked hard for 19 years to keep our identify with Napa County and not be considered "North Vallejo".

We hope you will consider our wants and needs as you make your decision.

Sincerely,

*Sandra L. Rombough*
