RE: Comments on Visualizations for Eastern San Francisco City & County

Dear Honorable Commissioners,

We, the undersigned, would like to express our appreciation of the Commission's commitment to respect and maintain the important communities of interest that make up the City of San Francisco. Specifically, we thank the commission for developing an assembly district configuration for Eastern San Francisco that maintains and respects the Lesbian, Gay, Bisexual, Transgender (LGBT), Asian American, Pacific Islander (AAPI), Latino, and African American communities. The set of visualizations posted on the Commission's website on July 11, 2011 creates an assembly district in which many communities will have the opportunity to engage in our political process in a fair and meaningful way. We urge the Commission to uphold these boundaries.

Sincerely,
