Why are you taking petaluma away from it closest neighbors in Santa Rosa and Marin County and placing us with central valley as a voting block. Believe me, Petaluma and the Central Valley share VERY LITTLE of the same interests, culture, issues.

Please don't do this!

This is worse than forced busing. Petaluma is in Sonoma county, not the central valley! Why are you ripping us away from Santa Rosa and Marin, who are our closest neighbors and putting us with central valley communities who share very little of the same interests let alone issues?!! Don't do this!
