From: Laura Riedel <[Redacted]>  
Subject: Senate District

Message Body:

You did a good job on the Congressional and Assembly districts, but the change in my Senate district makes no sense. You carved out Roseville from the rest of Placer County and grouped it with the farming communities of the northern Sacramento valley. You also excluded Redding from this district. It makes far more sense to include Redding with the rest of the northern Sacramento valley and keep Roseville with the rest of southern Placer County.
