Subject: Are you serious?

Message Body:

There is NO WAY, Roseville is the same as Yuba County and for sure not Red Bluff. Marin and Ukiah? Really? This a conspicuous attempt to turn the state more blue than it already is. I voted for this and I regret it. It's supposed to be about giving the people and equal right to be heard and represented. By including those big population centers with rural area's of no similarity, you have taken away the voice of the heart of California. I hope you don't sleep well at night.
