I agree with the sentiments expressed in the below points generated by our neighbors. The historic Greater Wilshire neighborhood should be held in tact from Western Ave to La Brea. Western Ave. is a good boundry street, although good planning practices should not go down the centerline of any street, rather it should follow the back property lines.

sincerely

1. Who We Are. We are voters who live in the community known as Greater Wilshire in Los Angeles. Our community includes 15 residential associations with histories dating back nearly 100 years. Our two largest and best known neighborhoods are Hancock Park and Windsor Square. Our eastern boundary is Western Avenue. Our western boundary is La Brea Avenue. You have proposed to split us in half at Plymouth Boulevard in your draft redistricting maps.

2. The Redistricting Mission. You are obliged to keep our century-old neighborhood intact in your redistricting effort, pursuant to the following governing rule: "*The geographic integrity of any city, county, city and county, neighborhood, or community of interest shall be respected to the extent possible without violating the requirements of any of the preceding subdivisions. Communities of interest shall not include relationships with political parties, incumbents, or political candidates.*"

3. Required Corrections to Draft Maps:

a. State Board of Equalization. Please return us to the LA district for the State Board of Equalization. We lie at the midpoint of Los Angeles, but you have inexplicably removed us and placed us in a district called East, where we claim no community of interest.

b. Congressional Districts. In each of the 3 options, you have divided us in half at Plymouth Boulevard. We belong with WLADT. The westernmost boundary of ELABH should not begin until Western Avenue.

c. Assembly Districts. In both of the 2 options, you have divided us in half at Plymouth Boulevard. We belong with LAMWS or with LADNT, but the entirety of Greater Wilshire from La Brea Avenue to Western Avenue must be included in one or the other, not both.

I hope some sensible minds will see the inequities in this plan and reconsider. Neighborhoods are the essence of a city. When you undermine them, marginalize their importance and weaken their ability to shape their environment you damage the city. To what purpose would districts be served by only considering some possible convenience to a commission that should be most concerned with the health and wealth of the city- and it's neighborhoods?

Please rethink this and consider the lasting effect of this arbitrary decision.

Your reply is important.

We need your help so that we are not completely marginalized in future California elections. Please forward this message to the California redistricting commission. Ask them to fix our boundaries. The address to send your email is [REDACTED]

1. **Who We Are.** We are voters who live in the community known as Greater Wilshire in Los Angeles. Our community includes 15 residential associations with histories dating back nearly 100 years. Our two largest and best known neighborhoods are Hancock Park and Windsor Square. Our eastern boundary is Western Avenue. Our western boundary is La Brea Avenue. You have proposed to split us in half at Plymouth Boulevard in your draft redistricting maps.

2. **The Redistricting Mission.** You are obliged to keep our century-old neighborhood intact in your redistricting effort, pursuant to the following governing rule: *"The geographic integrity of any city, county, city and county, neighborhood, or community of interest shall be respected to the extent possible without violating the requirements of any of the preceding subdivisions. Communities of interest shall not include relationships with political parties, incumbents, or political candidates."*

3. **Required Corrections to Draft Maps:**

- a. **State Board of Equalization.** Please return us to the LA district for the State Board of Equalization. We lie at the midpoint of Los Angeles, but you have inexplicably removed us and placed us in a district called East, where we claim no community of interest.
- b. **Congressional Districts.** In each of the 3 options, you have divided us in half at Plymouth Boulevard. We belong with WLADT. The westernmost boundary of ELABH should not begin until Western Avenue.
- c. **Assembly Districts.** In both of the 2 options, you have divided us in half at Plymouth Boulevard. We belong with LAMWS or with LADNT, but the entirety of Greater Wilshire from La Brea Avenue to Western Avenue must be included in one or the other, not both.

Please read the attached letter. I am a Block Captain in this area and this would divide a very close, tightly knit Larchmont/Windsor Square community. Please fix the proposed boundaries which would split Plymouth Blvd. instead of ending at Western. This would completely marginalize us in future California elections. The residents here are very involved and supportive members of this community. It is a wonderful, family oriented neighborhood.

Best,
D. Steinfeld

Re: Redistricting

Your plan to cut Plymouth Blvd., Los Angeles right down the middle of the street as part of redistricting MAKES NO SENSE. If you follow through on this, some reporter and/or politician will make an issue of this INANITY in order to show that redistricting is a huge, stupid mistake. Please see below as to the reasons to keep Plymouth Blvd. intact and to divide at a more reasonable, sane line, such as Western Avenue.

1. Who We Are. We are voters who live in the community known as Greater Wilshire in Los Angeles. Our community includes 15 residential associations with histories dating back nearly 100 years. Our two largest and best known neighborhoods are Hancock Park and Windsor Square. Our eastern boundary is Western Avenue. Our western boundary is La Brea Avenue. 1. **Who We Are.** We are voters who live in the community known as Greater Wilshire in Los Angeles. Our community includes 15 residential associations with histories dating back nearly 100 years. Our two largest and best known neighborhoods are Hancock Park and Windsor Square. Our eastern boundary is Western Avenue. Our western boundary is La Brea Avenue. You have proposed to split us in half at Plymouth Boulevard in your draft redistricting maps.

2. **The Redistricting Mission.** You are obliged to keep our century-old neighborhood intact in your redistricting effort, pursuant to the following governing rule: "*The geographic integrity of any city, county, city and county, neighborhood, or community of interest shall be respected to the extent possible without violating the requirements of any of the preceding subdivisions. Communities of interest shall not include relationships with political parties, incumbents, or political candidates.*"

3. **Required Corrections to Draft Maps:**

a. **State Board of Equalization.** Please return us to the LA district for the State Board of Equalization. We lie at the midpoint of Los Angeles, but you have inexplicably removed us and placed us in a district called East, where we claim no community of interest.

b. **Congressional Districts.** In each of the 3 options, you have divided us in half at Plymouth Boulevard. We belong with WLADT. The westernmost boundary of ELABH should not begin until Western Avenue.

c. **Assembly Districts.** In both of the 2 options, you have divided us in half at Plymouth Boulevard. We belong with LAMWS or with LADNT, but the entirety of Greater Wilshire from La Brea Avenue to Western Avenue must be included in one or the other, not both.

Signed, Your Greater Wilshire Neighbors

John Welborne, Jane Usher, Liz Fuller, Jack Humphreville, Owen Smith, Wendy Savage, Cindy Chvatal-Keane, John Gresham"

It is ridiculous that you would split up this district. There is NO good reason for doing so and many EXTREMELY good reasons not to do so. READ THE ABOVE LETTER AND DO NOT SPLIT OUR DISTRICT IN HALF. We do NOT want this and will remember the names of those who try anything like this, come voting day. Believe me.

Dear California Redistricting Commission --

I am writing on behalf of Greater Wilshire, a century-old community in Los Angeles of 50,000 residents.

Your draft maps propose to split us in half. See our details and requests for correction below. The proposed boundary line that you have drawn of Plymouth Boulevard cannot stand. Please keep us intact by conforming to our eastern boundary, which is Western Avenue, in your mapping.

This mess started with the Plymouth Blvd. division of the police stations, and of sticking the unwilling residents of: the east side of Plymouth to Western into the new Olympic Division. I went to a meeting of the Olympic Division one evening and found nothing of interest to those of us west of Western. Now it appears to have fathered much more important ramifications. I for one have always considered my neighborhood to end/begin at Western Avenue, certainly in regard to the BOE and Assembly and Congressional Districts.

Dear Suzanne, and neighbors

I hope you have received this - it is important to understand that in each of three different options proposed for new districts our voting for Congress and State offices will be with communities east of us (dividing at Plymouth). The genesis of these borders is from the Census borders - ones made with no reference to anything other than convenience - yet the impacts of our portion of Windsor Square being sliced off is to move our votes into neighborhoods with which we have less in common than those to our west. This was the same boundary process that moved us from the Wilshire to Olympic Police Divisions.

This is a citizen commission deciding on the re-districting (<http://wedrawthelines.ca.gov/>) and they have asked to hear from the people affected. If we do not register our objections they will not be moved to re-think the borders. The co-signers of the letter below are people with whom I have worked and are active, attentive, knowledgeable and wise.

Fellow Citizens on the Redistricting Commission:

WE draw the lines (that means YOU, of course) . . . NOT some LAPD staff member who some years ago created a convenient (for LAPD) boundary between police divisions -- along Plymouth Boulevard. That boundary line in NO WAY reflects the communities of interest that YOU are charged with protecting.

Background:

1. Who We Are. We are voters who live in the community known as Greater Wilshire in Los Angeles. Our community includes 15 residential associations with histories dating back nearly 100 years. Our two largest and best known neighborhoods are Hancock Park and Windsor Square. Our eastern boundary is Western Avenue. Our western boundary is La Brea Avenue.

2. The Redistricting Mission. You are obliged to keep our century-old neighborhood intact in your redistricting effort, pursuant to the following governing rule: "The geographic integrity of any city, county, city and county, neighborhood, or community of interest shall be respected to the extent possible without violating the requirements of any of the preceding subdivisions. Communities of interest shall not include relationships with political parties, incumbents, or political candidates."

3. Required Corrections to Draft Maps.

a. State Board of Equalization. Please return us to the LA district for the State Board of Equalization. We lie at the midpoint of Los Angeles, but you have inexplicably removed us and placed us in a district called East, where we claim no community of interest.

b. Congressional Districts. In each of the 3 options, you have divided us in half. We belong with WLADT. The westernmost boundary of ELABH should not begin until Western Avenue.

c. Assembly Districts. In both of the 2 options, you have divided us in half. We belong with LAMWS or with LADNT, but the entirety of Greater Wilshire from La Brea Avenue to Western Avenue must be included in one or the other, not both.
