I am a resident of Irvine and I strongly support your latest social congress map that places Irvine with our neighboring south county sister cities of Lake Forest, Mission Viejo, Rancho Santa Margarita and Tustin. Previous visualizations put us together with the coast, an area with which we have little in common. Thank you for keeping these similar south Orange County communities together and intact. Please continue to keep our city with south county, NOT the coast.

To whom it may concern,

I am currently a resident of Irvine and attend UC Irvine. I have been following the redistricting maps that have been released in the past 2 weeks.

I support the latest social congress map that places Irvine with neighboring south county cities Lake Forest, Rancho Santa Margarita, Mission Viejo, and Tustin. I know that previous maps put us together with the coast, which I think we dont have much in common with. Thank you for keeping our similar south Orange County communities together. I appreciate it.

Please let me know if you have any questions, I look forward to seeing the next version of the congressional map.

Best,

Scott

Dear Sir or Madame:

I have been a resident of Irvine for 25 years. I have been following the various redistricting maps for Orange County and especially for Irvine. I support the map that keeps Irvine intact as one voting unit and joined with other South County cities in the area such as Tustin, Lake Forest and Laguna Hills and Mission Viejo. One version of the map has Irvine in the same district as communities as far away as Seal Beach. They are not only distant geographically but also as far as common community interests. Thanks for considering my comments.

Sincerely,

"After Jesus said this, He looked toward heaven and prayed: 'Father, the time has come. Glorify Your Son, that Your Son may glorify You. For you granted Him authority over all people that He might give eternal life to all those you have given Him. Now this is eternal life: that they may know You, the only true God, and Jesus Christ, whom You have sent.'"

To Whom It May Concern:

As a resident of Irvine, I want to urge the Commission to make sure our city is placed in a coastal Congressional District. We have a much greater community of interest with coastal communities like Newport Beach than we do with cities in inland Orange County. We are more likely go shopping, recreating and generally spending more time along the coast than in inland areas.

Irvine and Newport Beach are joined by our common participation in youth sports teams, family activities, parks and sports fields and our dependence on the same roads such as Jamboree, MacArthur Blvd. and the 405 freeway. Also, San Diego Creek runs through Irvine and dumps into the back bay of Newport Harbor which the federal government has many responsibilities at.

Thanks for listening.
