Dear Commissioners,

My name is **Anthony Marks** and my email address is [REDACTED]. I agree with the letter below about splitting the Beach Cities as part of California's Redistricting.

### **Put the Beach Cities Back Together**

*Dear Commissioners:*

*I want to add my urgent and personal request to the hundreds of other people in the Beach Cities who have asked you to protect our community and not divide the Beach Cities.*

*The Beach Cities are a distinct community, please keep them together.*

*Put El Segundo back into our Assembly District and keep Manhattan, Hermosa and Redondo Beach, the Palos Verdes Peninsula, all of Torrance and the area of Gardena tied to Torrance in the district.*

*All of the Beach Cities have so much in common demographically that we should not be divided. Lomita should be included because of its close ties.*

*After adding El Segundo, if you need to take out population, West Carson is not a city and farthest from the Beach Cities.*

***Please help us.***

Dear Commissioners,

My name is **Kathy Marlatt Marlatt** and my email address is [REDACTED]. I agree with the letter below about splitting the Beach Cities as part of California's Redistricting.

### **Put the Beach Cities Back Together**

*Dear Commissioners:*

*I want to add my urgent and personal request to the hundreds of other people in the Beach Cities who have asked you to protect our community and not divide the Beach Cities.*

*The Beach Cities are a distinct community, please keep them together.*

*Put El Segundo back into our Assembly District and keep Manhattan, Hermosa and Redondo Beach, the Palos Verdes Peninsula, all of Torrance and the area of Gardena tied to Torrance in the district.*

*All of the Beach Cities have so much in common demographically that we should not be divided. Lomita should be included because of its close ties.*

*After adding El Segundo, if you need to take out population, West Carson is not a city and farthest from the Beach Cities.*

***Please help us.***

Dear Commissioners,

My name is **Evelyn Granacki** and my email address is [REDACTED]  
. I agree with the letter below about splitting the Beach Cities as part of California's Redistricting.

### **Put the Beach Cities Back Together**

*Dear Commissioners:*

*I want to add my urgent and personal request to the hundreds of other people in the Beach Cities who have asked you to protect our community and not divide the Beach Cities.*

*The Beach Cities are a distinct community, please keep them together.*

*Put El Segundo back into our Assembly District and keep Manhattan, Hermosa and Redondo Beach, the Palos Verdes Peninsula, all of Torrance and the area of Gardena tied to Torrance in the district.*

*All of the Beach Cities have so much in common demographically that we should not be divided. Lomita should be included because of its close ties.*

*After adding El Segundo, if you need to take out population, West Carson is not a city and farthest from the Beach Cities.*

***Please help us.***

Dear Commissioners,

My name is **Paula Bills** and my email address is [REDACTED] . I agree with the letter below about splitting the Beach Cities as part of California's Redistricting.

### **Put the Beach Cities Back Together**

*Dear Commissioners:*

*I want to add my urgent and personal request to the hundreds of other people in the Beach Cities who have asked you to protect our community and not divide the Beach Cities.*

*The Beach Cities are a distinct community, please keep them together.*

*Put El Segundo back into our Assembly District and keep Manhattan, Hermosa and Redondo Beach, the Palos Verdes Peninsula, all of Torrance and the area of Gardena tied to Torrance in the district.*

*All of the Beach Cities have so much in common demographically that we should not be divided. Lomita should be included because of its close ties.*

*After adding El Segundo, if you need to take out population, West Carson is not a city and farthest from the Beach Cities.*

***Please help us.***
