To whom it may concern:

I live in Studio City and I am extremely unhappy about the latest redistricting for our area.

Our Santa Monica Mountain/Coastal communities of interest all lie east/west, not north/south which is why northern communities of Simi Valley, Moorpark, and Santa Clarita do NOT share any communities of interest with us.

The southern Santa Monica Mountains/Coastal areas should not be amalgamated into a Senate District with these northern inland communities.

We are adjacent to numerous other neighboring populations east and west with whom we do share communities of interest.

We do not share any transport/commute corridors either - the Santa Monica Mountain/Coastal region has the 405, 101, and the Pacific Coast Highway (PCH) and the northern Simi Valley, Moorpark and Santa Clarita areas have the 118, 126 and Interstate 5.

PLEASE take our community's wishes to heart.

Many thanks,

Andrea Sher.

Honorable Commissioners:

I am President of the Westhills Homeowners Association representing the residents of Westhills. Westhills is a small community in Los Angeles County directly east of the Upper Las Virgenes Canyon Park one of the areas under the protection and control of the Santa Monica Mountains Conservancy. We are one of the communities directly connected to the Santa Monica Mountains. We have reviewed and discussed your revised CA Senate District design and do not believe it is compatible with the area of interest shared by the residents of Westhills and our surrounding Santa Monica Mountain/Coastal communities.

Our Santa Monica Mountain/Coastal communities of interest all lie east/west along the 101 Freeway, not north/south which is why the northern communities of Simi Valley, Moorpark, and Santa Clarita do **not** share any communities of interest with us. Re: REDISTRICTING OF SANTA MONICA MOUNTAIN COMMUNITIES

I received an email today informing me of this plan. THIS DOES NOT MAKE ANY SENSE, AND AS A RESIDENT AND VOTER, I AM COMPLETELY OPPOSED TO THIS ACTION!! WE ARE ADJACENT TO TOPANGA - THESE ADJOINING AREAS SHOULD HAVE BEEN INCLUDED WITH TOPANGA. WE ARE IN THE SAME LITTLE LEAGUES AND THE SAME SCHOOLS. I DO NOT WANT TO BE IN THE SAME DISTRICT AS THE WEST VALLEY WITH WHICH I SHARE NO COMMON CONCERNS OR BOUNDARIES.

As a Malibu resident. I want to call your attention to the fact that the proposed Senate District **EVENT** does not work for our Santa Monica Mountain/Coastal communities!

Despite repeated complaints from stakeholders in the south (Santa Monica Mountains/Coastal), and north (Santa Clarita), the Redistricting Commission is still combining these two completely unrelated areas. Even worse, they have just added the *Ventura County* communities of *Simi Valley* and *Moorpark* to **EVENT**. That leaves us isolated with a greatly diminished voice.

And, South Bay should be Westchester south only. I am pleading with you to take the necessary and fair action requested above. Thank you kindly for your service to our communities and our state.
