Subject: PLEASE CHANGE THE LATEST CONGRESSIONAL MAP BOUNDARY WHICH DIVIDES THE COMMUNITY OF VALLEY VILLAGE CALIFORNIA

Message Body:

I live in Valley Village, located in Los Angeles, California. I am very concerned that the new map proposed earlier this week will divide Valley Village into two parts. Please redraw the line so that it follows the 170 Freeway and keeps the 25,000 stakeholders in Valley Village in one congressional district

Subject: Keep Valley Village in one singel congressional district!

Message Body:

Please redraw the line so that it follows the 170 Freeway and keeps the 25,000 stakeholders in Valley Village in one congressional district. We specifically moved within the boundaries of Valley Village for the benefits it offers its citizens. As the lines are now drawn, we are outside of those boundaries as compared to the rest of Valley Village while our neighbors across the street would be included with Valley Village.
