Hello, we live in Valley Village (located in Los Angeles). The new map proposed earlier this week will divide Valley Village into two parts. Please redraw the line so that it follows the 170 Freeway and keeps the 25,000 Valley Village stakeholders in one congressional district. Right now, you are actually cutting off our private park (Valley Village Park) and many other residents. The actual lines you should be following are listed here in our local community website. <http://www.myvalleyvillage.com/boundaries.php>

If you do not live or frequent here and only base the outlines on zip codes, it might look as you have it. However, that is not the way the area actually works especially considering the freeway cutoff.

Please make this change immediately.

Thank you.
