Our community is Westchester/Playa del Rey/Playa Vista and is recognized as such by the City of Los Angeles and should remain in the same districts, and we share common interests with the South Bay Cities and should be included with them. We do not share much in common with the cities to the east. Communities of interest, share common interests and concerns, we share transportation issues, LAX issues and coastal/environmental issues. We share vastly more with the South Bay cities than we do with cities with whom we are currently aligned.

FYI

We in Westchester would like to stay as is. Our community is Westchester/Playa del Rey/Playa Vista and is recognized as such by the City of Los Angeles and should remain in the same districts, and we share common interests with the South Bay Cities and should be included with them. We do not share much in common with the cities to the east.

We share transportation issues, LAX issues, coastal/environmental issues. We share vastly more with the South Bay cities than we do with the cities with whom we are currently aligned.

Thanks.

TO WHOM IT MAY CONCERN:

I am a Westchester resident. We have a community committed to compassionate concern for our people and our resources. Please do not let Westchester become another pawn of the politicians greed. I ask that you make certain that 1) our community Westchester/Playa del Rey/Playa Vista is recognized as such by the City of Los Angeles and remains in the same districts, and

2) we share common interests with the South Bay Cities and we should be included with them. We do not share much in common with the cities to the east.

To whom it may concern,

As a Westchester property owner I am very concerned with the current redistricting effort. For as many years as I can remember our community has been strictly aligned with the other South Bay Beach Cities.

Our community is Westchester/Playa del Rey/Playa Vista and is recognized as such by; the City of Los Angeles, the Neighborhood Council and Chamber of Commerce, and should remain in the same districts, as we share common interests with the South Bay Cities.

Those common interests and concerns that we share are: transportation issues, LAX issues, coastal/environmental issues, our local youth sports teams/programs and other community organizations too numerous to mention. We do not share those same bonds with the cities to the east.

So please take into consideration our right to be as fairly represented at the Federal level as we are locally.

Thank you for your time and consideration in this vitally important matter.

Best Regards,  
Noreen Culley

Dear Members of the Committee and Other Interested Parties,

As residents of the Los Angeles community of Westchester, my husband and I are writing to request that you recognize that the communities of Westchester/Playa del Rey/Playa Vista should be combined in the same congressional district as the South Bay Cities.

Please understand that: (1) our community is Westchester/Playa del Rey/Playa Vista and is recognized as such by the City of Los Angeles and should remain in the same districts, and (2) we share a multitude of common interests and concerns with the South Bay Cities (such as transportation issues, LAX issues, and coastal/environmental issues) and should be included with them. We share **nothing** in common with the cities to the east, and therefore, should not be included in the same congressional district(s) as those cities.

Thank you for your consideration of and attention to this matter.
