Subject: Bias is present..

Message Body:

To the Republican Commissioners: "We the People" of CA have had gerrymandering totally misrepresent our State to the effect of Homosexuality determined by Socialist legislators to be taught as history; taxing plastic bags (manufacturer's, but not card board boxes, paper bags, wrappings for hamburgers and fast food vendors); appointed departments making 'Regulations' totally ignorant of both Constitutions they swear an oath to uphold; and unions which are allowed to donate whatever to their "party".

and now, unaffiliated commissioners, not if you read their bios, clearly left-end of politics.

"The Constitutional Role of Partisans in the Redistricting Process" gives a clear picture of what is REQUIRED to protect the voice of "We the People". It is you vote, my vote, and every-one-person-at-a-time - that is at stake here: sovereignty of Person versus open-society of distortion, lies, definition by a few men for the Democracy-of-the group mind.

Please support and protect "We the People's" against the extremist-leftist-group-minded domination which has put California exactly where it is...the State Not to Live and Work or Own a business; with life, liberty, and happiness defined and determined by the appointed Departments of the Governor's Regulations. Thank you, Catherine West
