Subject: Your maps were prepared by amateurs with 1990 technology!

Message Body:

your boundaries are indistinct and are not comparable from 2001 to 2011. For the time you have taken, this is a pathetic effort, unless it is intended to obfuscate! We did better land use maps in 1995 using ESSI!

Subject: New 74th

Message Body:

I can only get the area wide map and not a map that clearly defines the 74th Assembly District boundaries, streets and roads.

What am I doing wrong?

Ollie
