Dear Commissioners and Director Claypool:

I am on record in June, during the preliminary hearings, for submitting my comments regarding redistricting for the Coachella Valley. Our area, as well as the entire state, have been done a grave disservice in proposing the maps as they are now being proposed.

I therefore urge you to permit Commissioner Ward to present a minority report regarding his position on the maps, and why he has voted no on this proposed maps.

There is constitutional mandate that is being overlooked and, in fact ignored, which says full disclosure and deliberations be above board and full view of the public. I fully expect you not only to listen to

Commissioner Ward, but to delay certification of these maps due to the methods that have been used in the redistricting process. It is an outrage that these maps would even be considered being certified. Please allow Mr. Ward to speak on our behalf.

Sincerely,

**Val Ogburn

PETITION TO THE CALIFORNIA CITIZENS' REDISTRICTING COMMISSION

We the undersigned hereby request that the California Citizen's Redistricting Commission permit Commissioner Michael Ward file a minority report explaining his reasons for voting against the state and federal legislative districts in California.

The Commission's Code of Conduct requires commissioners to "disclose information that belongs in the public domain freely and completely." Article 21 of the state Constitution, provides in Section 2(a) that the commission shall "conduct an open and transparent process enabling full public consideration of and comment on the drawing of district lines."

These goals and criteria will not be met if Commissioner Ward is muzzled. All Commissioners should be allowed to file a full and complete minority report to the public on the Commission website and to the media.

Subject: Assembly Map Politically Driven!

Message Body:

Dear CRC,

Why would you reflect the Coachella Valley's tourism economy in the Congressional and Senate maps and then do something completely irrational and inconsistent for the Assembly map?! It is obvious that you are trying to protect the seat of Manny Perez. You just re-drew AD80 as it was, and guess what? It was considered a HUGE GERRYMANDER!!! You just gerrymandered us again and split our tourism cities once again. I have told Nevadans to NEVER vote for a citizen redistricting committee. You were so obviously corrupted by Blanco, et al.
