You have included Cypress with the Long Beach Port congressional district and that is wrong!!! We share no attributes with the large port city of Long Beach. We are a small landlocked bedroom community that has a "small town" tight community feel to it. We would be lost and ignored if included with Long Beach. We belong with the other Orange County communities.

SUCCESS

You can use most any measure
When you're speaking of success.
You can measure it in fancy home,
Expensive car or dress.
But the measure of your real success
Is the one you cannot spend.
It's the way your kids describe you
When they're talking to a friend.

PETITION TO THE CALIFORNIA CITIZENS' REDISTRICTING COMMISSION

We the undersigned hereby request that the California Citizen's Redistricting Commission permit Commissioner Michael Ward file a minority report explaining his reasons for voting against the state and federal legislative districts in California.

The Commission's Code of Conduct requires commissioners to "disclose information that belongs in the public domain freely and completely." Article 21 of the state Constitution, provides in Section 2(a) that the commission shall "conduct an open and transparent process enabling full public consideration of and comment on the drawing of district lines."

These goals and criteria will not be met if Commissioner Ward is muzzled. All Commissioners should be allowed to file a full and complete minority report to the public on the Commission website and to the media.

Subject: New Redistricting Maps

Message Body:

I am against the proposed maps scheduled for 08/15/11; the commission is breaking the rules of Proposition 11 which we the people voted for!!!!

When are your government officials going to get it ----- you are supposed to represent the PEOPLE not your political party or your personal, private interests.

Get with the program or WE WILL VOTE YOU OUT -- and that goes for my fellow Republicans also!

I believe that Cypress should stay in Orange county. We have no business being put in LA County. Doesn't our boundries count for something. The elected officials need to leave us along. We are fine were we are.

Subject: proposed re-districting

Message Body:

I am very much APPOSED to the proposal to move Cypress 90630 into a district with LA County's Long Beach.

Watering down conservative voices with a bigger population of liberal bigger city dwellers is a political maneuver which I will fight.
