Subject: new redistricting lines

To: <communications@shupe.com>

Peter,

My family is so unhappy about the very partisan new redistricting lines which is very favorable to Democrats! One example, why on earth would Dana Point NOT be included with its sister beach community of Monarch and Laguna Beach? Although you were kind and introduced yourself to us in San Diego, I had previously emailed you about my concerns, but with no response.

I will support ANY effort to overturn this shameful waste of California taxpayers monies for the new redistricting lines!

To All This concerns,

I am a Rossmoor resident and I am an Orange County resident, I want to voice my opposition about redistricting us to LA county. I purchased my home in Orange County because I wanted to be in Orange County. I like the people who represent us, I DO NOT want to be changed to LA County. I would seriously considering moving to stay in Orange County. I don't know who came up with this game or who's going to profit from changing districts, But again I am TOTALLY AGAINST this.

Sincerely
Cynthia Senteno

Message Body:

Looking at the new districts I am very unhappy with the planned move of Cypress into a District with Long Beach. You are disfranchises the entire community of Cypress CA. Our views are not the same as those of Long Beach. Yet the population is so large in Long Beach that they will drown out our voices. This is not fair and I am asking the line to be redone so Cypress has a Representative that actually represents our views.

I saw the final district lines. My only question is: Did you make changes based on anyone's input? I doubt it since you didn't even follow your own guidelines of respecting county lines. Why you would pair up a city with another city 10 times the size (Cypress and Long Beach) is beyond my comprehension. I am very disappointed with this outcome and can now expect that Cypress will be significantly disadvantaged by your decision.

Do residents have any recourse at this point?

How can I find out where every member of this panel lives so I can see if your city was treated as poorly as Cypress?

Very disappointed,

George Pardon

To Whom It May Concern:

As residents of El Segundo, we do not want our votes to be overwhelmed by constituents of a district that do not share the same local concerns as we do. Please put all of Torrance and Lomita back into the former 36th Congressional District and make sure that the South Bay Congressional District only includes areas south of Westchester.

Thank you for hearing our voices.
