Subject: Congressional redistricting

Message Body:

I am very opposed to the new Congressional district lines as they pertain to Cypress. We are being dumped into a district that crosses county lines. Our small Orange County city has little in common with the large city of Long Beach (LA County). Our interests differ wildly and I do not think we will have any representation if these boundaries are allowed to stick. Cypress needs to have a voice too! Our voice is being squashed by this very unfair process. The Commission is not sticking to the principles of not crossing county lines.
