Subject: Cypress

Message Body:

I am most concerned that we have been seperated from the cities that we have long shared projects with. The cities that have bonded and shared surround our JFTB. Joint Forces Training Base. Cypress is now joining Fulletton? Who would ever put the two together? We belong with Los Alamitos, Seal Beach, Rossmoor and LaPalma. That was what was reflected in the map a few weeks ago. That was fine, a few changes but we expected that. I understand we have to have changes but why did this change at the last minute when we had not time to respond?
