## PETITION TO THE CALIFORNIA CITIZENS' REDISTRICTING COMMISSION

We the undersigned hereby request that the California Citizen's Redistricting Commission permit Commissioner Michael Ward file a minority report explaining his reasons for voting against the state and federal legislative districts in California.

The Commission's Code of Conduct requires commissioners to "disclose information that belongs in the public domain freely and completely." Article 21 of the state Constitution, provides in Section 2(a) that the commission shall "conduct an open and transparent process enabling full public consideration of and comment on the drawing of district lines."

These goals and criteria will not be met if Commissioner Ward is muzzled. All Commissioners should be allowed to file a full and complete minority report to the public on the Commission website and to the media.

**Subject:** Plz Do Not Gerrymander Our Cities

**From:** "Kevin Pata" <[REDACTED]>

**Date:** Mon, 15 Aug 2011 10:12:59 -0700

**To:** <[REDACTED]>

Dear Redistricting Commission:

Please do what is right and not Gerrymander our 36 district and 53<sup>rd</sup> Assembly again. It makes no sense to add a ton of beach cities north of the Airport to the Southbay District. People who work together, live together, play together and go to church together should remain together as our founding Fathers would have meant it to be. I was at Knott's Berry Farm this weekend and I read about one of the signers of the Declaration of Independence named Elbridge Gerry. As Governor, he redrew the voting areas in Massachusetts so badly in favor of his party that the term Gerrymandering became his trademark for ever.

Please do not pull a Elbridge Gerry on our poor districts. We voted for this Commission to prevent the Elbridge's of this world from destroying our voting districts again. The residents of Southbay have always consider San Pedro, Wilmington, Harbor City, Gardena, Hawthorne, Carson, Torrance, Lomita, all of Palos Verdes Cities, Hermosa Beach, Redondo Beach, Manhattan Beach, El Segundo and Westchester to be one Community. Can you please, please, help us to keep our Community together?

With all sincerity,  
A very concerned Voter,

Dear Sir,

I'm very upset about how you are gerrymandering the congressional district that I live in. There is a group of cities that have common interests that you are ignoring. Please do the right thing and put all of Torrance and Lomita back into the former 36th Congressional District. The South Bay Congressional District should be Westchester south only. El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes Peninsula, San Pedro, Hawthorne, and Gardena belong in the same district. And the Assembly District should keep El Segundo in it. Here in the southbay all of these cities have common interests and should have the right to vote together.

Please do the right thing. Your actions will effect our lives for the next 10 years. I beg you to let us select those who will represent us in Sacramento and Washington.

A hopeful voter

Subject: Splitting the City Of Torrance

Message Body:

It's unconscionable that the city would be split into 2 districts. How is the "common Interest" requirement served & accomplished by splitting the city? Also, Torrance, which runs to the ocean, has much more in common with the coastal cities & the PV peninsula than with either Hawthorne or Compton. The voice of the city populace of nearly 150,000 would be drastically diluted. Also, the city government would be burdened with dealing with different representatives for the city's common interest thus further diluting our voice.

I strongly urge you to preserve Torrance's common interest & voice by leaving us with our coastal neighbors.

This letter is to let my voice be heard during the final public comment period and before you take the final vote. It is important to me that I continue to be able to elect candidates of my choice.

Therefore, I am demanding that 1) Vermont Knolls belongs in the congressional district that contains Los Angeles International Airport (LAX) and other neighborhoods impacted by LAX and 2) Torrance does not share a community of interest with Inglewood and its adjacent LAX-impacted neighbors. It is critical that the Commissioners keep together the core neighborhood that make up the Inglewood Congressional District ( newly numbered 43-- currently known as CD 35.

I know you have gotten a great deal of complaints with your approval of the new lines, but I would actually like to thank you for your work on the 46th congressional district.

As a Democrat living in Downtown Long Beach, I cannot tell you how frustrating it's been being represented by a Republican who represents primarily Huntington Beach. I live only blocks away from an otherwise unified Long Beach represented by a good Congresswoman.

Under the old lines, correspondence between me and my Congressman was like pulling teeth. Whenever I called his office his aides would refuse to acknowledge I live in his district because it was so close to Laura Richardson's.

Again, thank you for bringing Long Beach together, even if you did add a few Orange County cities in there.

Have a great day.

The proposed redistricting that splits Torrance in two, separating us from our beach cities neighbors, will force us to have two different representatives at the state Senate and congressional levels, thus making it harder for our city to effectively lobby for issues that concern us as a whole. As a teacher, as well as a citizen, in Torrance, this is an unacceptable position for our students.

Torrance needs to be kept whole and with the beach cities, as they are our "community of interest."

I am one of many people South Bay residents that finds the new district boundries very ill conceived and weird. Dividing Pedro and Torrance is particularly disconcerting. Is there no sense of unity to be protected within cities? This just looks like someone has an agenda which is not in the best interest of the communities being served. Our state is sliding further into chaos and this is just one more sad example.

Dear Redistricting Commission:

As a concerned citizen, I'm writing to request your help with the following:

- Put all of Torrance and Lomita back into the former 36th Congressional District
- The South Bay Congressional District should be Westchester south only

El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes Peninsula, San Pedro, Hawthorne, and Gardena belong in the same district. And the Assembly District should keep El Segundo in it.

This is our community. Our personal lives, business interests, economic activity and everything else are intertwined with our neighborhood and our community.

I have seen how the districts have been drawn and I strongly oppose this gerrymandering. I demand to be in a district with commonality so that an elected representative can effectively represent his or her constituents.

Greetings:

I have lived in Hermosa Beach and Redondo Beach of the South Bay of Los Angeles (the 36th district) for over twenty years during which I have been an active citizen. I am very excited by the prospects of genuinely drawn districts. That said, I am quite surprised and disappointed to hear that you are looking to take Torrance and Lomita out of the district, both of which are definitely part of my family's sense of "our" area-- as well as taking El Segundo out of our Assembly district.

My suggestion and request to you is that the South Bay Congressional District should be Westchester and south only: El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes Peninsula, San Pedro, Hawthorne, and Gardena.

What on earth do Dockweiler Beach, Venice, Santa Monica, Malibu, Bel Air, Beverly Hills, Topanga, Calabasa, and Agoura have to do with us?!? Forgive me, but this seems quite like the gerrymandering madness to which you are to put an end.

Thank you for your time and consideration,

We were promised that the Redistricting Commission would draw up new boundaries that were fair and competitive. I feel we were lied to.

In our Congressional/ Assembly districts, strange things have happened that are just plain wrong.

- Put all of Torrance and Lomita back into the former 36th Congressional District
- The South Bay Congressional District should be Westchester south only

El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes Peninsula, San Pedro, Hawthorne, and Gardena belong in the same district. And the Assembly District should keep El Segundo in it.

This is our community. Our personal lives, business interests, economic activity and everything else are intertwined with our neighborhood and our community.

We in the South Bay ask that you keep us together. This is very important to us. It's not about party or ideology. It's not about race or ethnic makeup. It's about our neighbors and having a representative who knows our community and can actually represent us.

The proposal to string all the beach cities along the coast is absurd. It smacks of gerrymandering at it's worst. How about drawing LOGICAL, SENSIBLE districts so voters can discern what district they are in without a GPS device, where people are linked by common ZIOP codes, area codes and municipal boundaries that they know, not abstract political boundary lines.

The So. Bay is among just one example.

It's unconscionable that the city would be split into 2 districts; how is the "common Interest" requirement served & accomplished by splitting the city. Also, Torrance, which runs to the ocean, has much more in common with the coastal cities & the PV peninsula than with either Hawthorne or Compton. The voice of the city populace of nearly 150,000 would be drastically diluted. Also, the city government would be burdened with dealing with different representatives for the city's common interest thus further diluting our voice.

I strongly urge you to preserve Torrance's common interest & voice by leaving us with our coastal neighbors.

Please, I beg of you, do not split Torrance. Keep it whole and united with the beach cities. I visit the Torrance beach and the Redondo beach, and I want the area to be unified in its purposes and representation. Thank you very much, as Torrance has a united interest and none of it should be put in with Hawthorne and other adjacent areas which have very diverse interests from Torrance.

Thank you very much for your support in this important governmental decision. We live in Redondo and our two sons live in Torrance.

To Whom this may concerned:

I have lived, gone to school and worked in Torrance since I was 3 years old. I am now 57 going on 58 this year, I still live in Torrance at 3418 West 172nd Street. Please do not split this City into two districts. All of Torrance should be in the 36th Congressional District! In fact the South Bay District should include cities from Westchester on down through the south ONLY! If you split the city I, for one will be very upset and vote against all of you in the future every chance I get! Do not continue what we have seen over and over which is politicians doing STUPID things because you do not think about the people whose lives you are playing with. DO NOT SPLIT TORRANCE AND KEEP IT IN THE 36TH DISTRICT!

**REDISTRICTING COMMISSION**

We the undersigned hereby request that the California Citizen's Redistricting Commission permit Commissioner Michael Ward file a minority report explaining and fully setting forth his reasons for voting against the new political boundaries for state and federal legislative districts in California.

Every aspect of the Redistricting process conducted by this Commission should be open to scrutiny by the public and the press. The Commission's Code of Conduct requires commissioners to "disclose information that belongs in the public domain freely and completely." Article 21 of the state Constitution, which formed this Commission, provides in Section 2(a) that the commission shall "conduct an open and transparent process enabling full public consideration of and comment on the drawing of district lines."

These goals and criteria will not be met if Commissioner Ward is not permitted to file a minority report.

This courageous commissioner must be allowed to file a full and complete minority report which must be disclosed to the public on the Commission website and to the media as soon as possible.

This should just be a South Bay District.

The northern end should be Westchester. Anything north beyond that border makes no sense to the communities involved.

The District should definitely include Lomita and Torrance.

To Whom it May Concern:

Your committee was set up to right a wrong and, instead, you have chosen to abuse the authority that was vested in the redistricting committee. You have made a bad situation worse with this final mapping effort and have ensured that, if this map stands, the South Bay area will be dominated by incumbent Democrats for the next decade. If you were all non partisan, this is what should happen (and probably will when your decision is taken to court):

- Put all of Torrance and Lomita back into the former 36th Congressional District
- The South Bay Congressional District should be Westchester south only

El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes Peninsula, San Pedro, Hawthorne, and Gardena belong in the same district. And the Assembly District should keep El Segundo in it.

Do the right and fair thing that you were charged to do in the first place and correct that map.

To whom it may Concern at the Citizens Redistricting Commission:

It has come to my attention that the California Citizens Redistricting Commission recently released their Final Drafts for maps for Assembly, Senate, Congress and Board of Equalization. I believe that the Voting Rights Act has been violated since the power of the minority group (as a majority) vote has been diluted. The cities of San Bernardino, Colton and the community of Muscog had their clout diluted while the city of Rialto was cut in half in the congressional maps.

I fully support the adjustments in the attached map as it protects more cities under the Voting Rights Act.

To the California Redistricting Commission

DO NOT DIVIDE TORRANCE INTO TWO SEPARATE CONGRESSIONAL, ASSEMBLY, AND STATE SENATE DISTRICTS

Torrance is a community of interests with the other beach cities in the South Bay, including Redondo and Hermosa Beach along with El Segundo.

Torrance is not a city of interest with Hawthorne or Compton.

Please respect the boundaries as crafted for the 1992-2002 decade, or something like it.

Thank You.
