Subject: Separation of Sunnyvale and Mt. View

Message Body:

Please don't sever the ties between Sunnyvale and Mt. View. They commonly manage a major air field turned industrial park, a major traffic hub (#85/#101), and have to coordinate traffic to a cluster of the largest employers in Santa Clara County.

Sunnyvale and San Jose? I've lived in Sunnyvale for 38 years and have been to San Jose roughly 5 times in all those years. I go through/to Mt. View almost every day of my life. This is a general pattern, not a unique situation. The majority of us in this county live south of where we work and play. Residential Sunnyvale and San Jose are not contingent properties. Sunnyvale and Mt. View have a common border that is roughly seven miles long.
