RE: Agendas Not Posted

Date: August 12, 2011

The Commission has had it's schedule posted on the [www.wedrawthelines.org](http://www.wedrawthelines.org) website for 3 days stating that it is meeting on August 13, 2011. As of this email sent to the Commission at 12:35 PM on August 12, 2011 there is no agenda on the website other than the meaningless boilerplate that acts a dummy posting to "comply" with Bagley-Keene.

This use of a dummy, boilerplate agenda *violates* Bagley-Keene. Whatever the Commission's reasons for not posting real agendas that comply with Bagley-Keene, the effect is to cloak the work of the Commission behind a black curtain and make it impossible for citizens to follow the proceedings.

Many people have written many letters, emails and memos about this policy. The Commission has completely disregarded them. I am asking again, respectfully that you end this illegal practice.

**PETITION TO THE CALIFORNIA CITIZENS'**  
**REDISTRICTING COMMISSION**

Per \_\_\_\_\_

We the undersigned hereby request that the California Citizen's Redistricting Commission permit Commissioner Michael Ward file a minority report explaining and fully setting forth his reasons for voting against the new political boundaries for state and federal legislative districts in California.

Every aspect of the Redistricting process conducted by this Commission should be open to scrutiny by the public and the press. The Commission's Code of Conduct requires commissioners to "disclose information that belongs in the public domain freely and completely." Article 21 of the state Constitution, which formed this Commission, provides in Section 2(a) that the commission shall "conduct an open and transparent process enabling full public consideration of and comment on the drawing of district lines."

These goals and criteria will not be met if Commissioner Ward is not permitted to file a minority report.

This courageous commissioner must be allowed to file a full and complete minority report which must be disclosed to the public on the Commission website and to the media as soon as possible.
