Ca. Citizens Redistricting Commission -

Attached please find 10 signatures of citizens requesting that you comply with the Commission's Code of Conduct to "disclose information that belongs in the public domain..." per the State Constitution Article 21.

Commissioner Ward's report should be made available to the citizens of California PRIOR to ANY final decision on redistricting. If his report is not presented for public information and consideration, we will assume, and make known to the citizens of California that something inappropriate in the redistricting process is occurring and WE WILL MAKE THAT KNOWN ULTIMATELY! Be assured of this.

Thank you,

Leslie Jones

PETITION TO THE CALIFORNIA CITIZENS' REDISTRICTING COMMISSION

We the undersigned hereby request that the California Citizen's Redistricting Commission permit Commissioner Michael Ward file a minority report explaining his reasons for voting against the state and federal legislative districts in California.

The Commission's Code of Conduct requires commissioners to "disclose information that belongs in the public domain freely and completely." Article 21 of the state Constitution, provides in Section 2(a) that the commission shall "conduct an open and transparent process enabling full public consideration of and comment on the drawing of district lines."

These goals and criteria will not be met if Commissioner Ward is muzzled. All Commissioners should be allowed to file a full and complete minority report to the public on the Commission website and to the media.
