Message Body:

This stinks of Taxation Without Representation. Is your exaulted pannel so stupid as to want to dismantle our community in such a fasion. Damm shame a citizen must point that out to a bunch of cronnies.

Petition in Support of City of Richmond Resolution No. 52-11
Keeping the City of Richmond in the Contra Costa County Congressional District

We, the undersigned understand that the Citizen's Redistricting Commission (CRC) is charged with redrawing California's Senate, Assembly, State Board of Equalization, and Congressional districts based on information gathered during the 2010 census. That the Commission must draw the districts in conformity with strict, nonpartisan rules designed to create districts of relative equal population that will provide fair representation for all Californians. We, the undersigned request that the Citizens Redistricting Commission keep the City of Richmond (community of interest) intact and in the Contra Costa County Congressional district.
