Message Body:

I believe all of Marin County should be combined with all of Sonoma County. Marin has nothing in common with counties north or east of Sonoma. To leave out parts of Santa Rosa and Rohnert Park makes no sense at all. It is once again gerrymandering of the district.

Message Body:

I lived here when our Congressional District extended up the coast in the way now being proposed. We Marinites were extremely dissatisfied, and I would hate to return to that sense of not being represented! It's not that we don't admire the lands to the north of us, but it is that we have such different needs & concerns. We are an urban/suburban area with concerns revolving around Bay Area issues which are much different from those of the North Coast. Southern Sonoma is a much better fit for us, and the similarly the northern counties deserve their own representation. We have been quite satisfied being in combination w southern Sonoma, & would ask you to maintain that combination. Thank you!
