Subject: Please DO NOT re-zone our district

Message Body:

Re-zoning our district does not make sense. Please do not do this. Our district will be out of balance.

Subject: Proposed Resdistricting

Message Body:

I am a small winery owner who works with several other small wineries within our existing district to assist each other in the management, promotion and development of our businesses. I feel we need to maintain the current district we have with Sonoma, Santa Rosa and other wine-oriented areas because of our unique needs as wineries. Changing this district now to be managed and represented by officials who do not have the knowledge, expertise and/or ability to understand the unique challenges of wine-related areas is just not logical or effective. I do not support this change to include Napa County with Yolo, Solano and Colusa Counties. I do support leaving our district as it is.
