Subject: Keep East Palo Alto with Palo Alto

Message Body:

East Palo Alto and Menlo Park must stay in the same district as Palo Alto. The school districts go across city lines (many EPA kids attend Palo Alto schools, and the Ravenswood district serves both EPA and MPk); the cities of East Palo Alto and Menlo Park are joined at the hip and both extend to both sides of 101. Whoever thought of drawing the proposed line between District 14 and the new 18 has no clue about the residents in this area!
