Subject: Placing All of Siskiyou County in the same district

Message Body:

I think that the California Citizens Redistricting Commission has done a very good job under challenging "under the microscope" conditions. You should all be proud of your participation in this process.

Thank you for placing all of Siskiyou County together in State Senate and Assembly District 01, and Congressional District 01. Given distances, geography, and political representation issues, splitting the County would have made for a difficult representational split.

Thanks again for your effort on behalf of the citizens of California.
