Subject: Matching to Election times

Message Body:

I would like to know why these maps don't respect the election of representatives. The redistricting should match the timing of elections so all votes count.

I voted for Wally Herger and I chose him as my representative for good reason. The new lines no longer have him as my rep. The same would go for Doug LaMalfa whose term is being cut by 2 years. There is no reason that I can see except partisanship politics that maps should not respect waiting for the timing of elections to the new lines of redistricting.
