Subject: Pleased with new district lines

Message Body:

Dear Commission Members,

Thank you for your efforts in setting the redistricting lines for Trinity county. For years we have felt unrepresented by our Congressman (22+ years in office) and State Senators who have the majority of their constitutiens living in the Sacramento River cities and farming regions.

As 30-year rresidents of Trinity County, my husband and I feel more related to the most northern coastal and mountain regions of California. These areas are mostly forested public lands and rural communities where people are concerned about retaining our necessary water supplies and protecting our other natural resources from outside overuse by outsourcing jobs and irresponsible use of herbicides that affect our air, water and health.

Sincerely,

Jan and Bob Mountjoy
Hayfork, CA 96041
