Hello,

Please do not go further north than Westchester for the South Bay area.

Including Malibu & Bel Air, etc., is not fair to all the "non-super-rich" areas that will not be able to fairly compete for political office...

Not only that but the industry level from Westchester south is completely different - worlds apart even - from Westchester north....there is just no way that an elected (*rich) official from, say, Malibu or Bel Air, would be able to represent the lower income harder working areas south of Westchester.

How could those areas even be considered as part of the same? Please re-consider this unfair proposal.

Kind regards,

Julie-Ann Forney

To the Redistricting Commission:

Please leave Hawthorne in the district with the Beach Cities.

I grew up in Manhattan Beach, and Hawthorne has always been considered a part of the Beach Cities and South Bay. It is insanity to put it in with another district. Hawthorne and the people who live there identify with the South Bay and the Beach Cities, not with any other district. The suggested boundaries do not represent the interests of the South Bay. We voted for this Commission to create lines that make sense, not ones that divide our community.

Please reconsider the district lines that you have proposed and leave them as they are.

Sincerely,

M. Grace Di Pasquale
