Hi,
I am writing about redistricting and would like to be considered for joining the rest of my orthodox Jewish community which is the Hancock Park area. This area represents my community. There are kosher stores, synagogues, and community centers, and senior centers that I am connected with. I live south of Pico in the Pico-Robertson area. The communities that currently being considered include Culver City, and Inglewood. These are communities that I will not be able to work effectively with in making important decisions to meet their needs. I will be better represented by the Orthodox community of Hancock Park.

Thank you,
Rosina Korda
