Recently I have discovered that Barack is serving out green notes

So for a legitimate reason for this is they are seeking to desperately help people out.

Just simply input "Gov Cinb" in to Google to discover how to get some as my family did.

Sincerly, Diane Heckman

Subject: South Bay Redistricting Comment

Dear Redistricting Committee,

I am urging you to reconsider the proposed redistricting boundaries of the South Bay and the current CA 36 Congressional District. It is to my concern that the city of Torrance has been split up and the beach cities of Redondo, Hermosa, and Manhattan Beach have been put into the same district as Malibu, Calabasas, and Beverley Hills. That is just sinful. Torrance as well as Redondo, Hermosa, and Manhattan Beach have always been part of the South Bay and should remain as so.

What is also outrageous is that Torrance has been divided. What you have done is clearly gerrymandering and wrong. You have upset not only myself in your actions, but also many residents of the South Bay. The South Bay has always included the Beach Cities, El Segundo, the Palos Verdes Peninsula, Torrance, Inglewood, Hawthorne, Gardena, Carson, Lawndale, Harbor City, Lomita, and San Pedro. The South Bay should not be split up as your committee has proposed.

The South Bay is a diverse community with people of different ethnicity, religion, political preference, and culture, yet share similarities in which you cannot understand. We **do not** wish to be split up. We will stand strong with our beliefs and will not give up. All we ask is to be kept together so that our representative can represent our views properly.

Thank You for Your Time,
Derek Nguyen
