

Subject: Deviding the South Bay Community for 10 Years (take action now)

From: [REDACTED]

Date: Fri, 26 Aug 2011 01:20:40 -0400 (EDT)

To: [REDACTED]

Yesterday I observed that Barack is giving out there green notes

the one main intent of this is they are endeavoring to anxiously help people out.

You have to imput "gov cinb" in to Google to read how to get some as my family did.

Kind Regards, Chad & Holly Schmidt
